| Card with PANTHERx Rare Pharmacy, local pharmacy, fire station, and hospital numbers | |
| Cooler and ice packs at a family member or friend's house | |
| | |
| | |
| | |

OTHER TIPS

(Refer to Scenario Preparedness Worksheet)

1. STRENSIQ® must be stored between 36°F - 46°F and kept out of sunlight.
2. Know where you can store medication in case of a power outage.
3. Set up weather alerts from FEMA, NWS and NOAA.
4. Reach out to your local power company about their priority power restoration list.
